

## Introduction

---

### **▲ WARNING ▲**

Muzzleloaders can be dangerous if not handled properly. Knight® products are sold by us with the specific understanding that we are not responsible in any manner whatsoever for their safe handling or resale under local, state, and federal laws and regulations. Knight® Rifles shall not be responsible in any manner whatsoever for malfunctioning of the muzzleloader, for physical injury or for property damage resulting in whole or in part from:

1. Accidental or negligent discharge
2. Improper or careless handling
3. Unauthorized modifications
4. Defective or improperly loaded powder or projectile
5. Corrosion
6. Neglect
7. Other influences beyond our direct and immediate control.

This limitation applies regardless of whether liability is asserted on the basis of contract, negligence or strict liability (including any failure to warn). Under no circumstances shall Knight® Rifles be liable for incidental or consequential damages, such as loss of use of property, commercial loss and loss of earnings or profits. Be sure to read the further warranty information on page 34.

The basics of safe muzzleloader handling cannot be repeated too often. Read and re-read the basic principles of muzzleloading safety until they are thoroughly understood. If you are unfamiliar with muzzleloaders or other firearms, enroll in a safety course conducted by an NRA-approved instructor or other qualified instructor. Check with your local gun clubs and firearm dealers.

### **▲ ALTERATION CAUTION**

Knight® Rifles is not responsible for any alterations to your Knight® muzzleloader or any part thereof after it leaves our control, or for the addition or substitution of parts or accessories not manufactured by Knight® Rifles.

Knight® Rifles are designed to function properly in their original condition. Any changes made in this product are specifically contrary to our instructions and we expressly do not authorize any changes to be made after manufacture. Any alteration will result in voiding the warranty. Do not jeopardize your safety or the safety of others by making modifications to your muzzleloader.

If you need further help or information concerning this warranty, please write or call the Knight® Rifles Service Department at the following address:
