

IDAHO RIFLE ELK HUNT (IDH5)

Was \$4,000 **NOW \$3,400**

4 SPOTS LEFT November 2-8, 2009

This outfitter maintains a guide to hunter ratio of two hunters per guide. The hunting area is prime elk habitat on the Idaho and Montana border. These rifle hunts are designed to allow the best chance at a quality bull for the best price. Their comfortable camp facilities consist of well maintained canvas wall tents and wood-burning stoves. Extremely gentle, seasoned horses are used for transportation during the hunt.

All hunts include meals and lodging in our well maintained canvas wall tents, guiding, field butchering and trophy care.

License and tag is an additional \$571.50 total.
